Please accept these comments as restated below from  
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 250A to Encino, Texas as that community's first competing FM service.<sup>1</sup> Encino, Texas is a Census Designated Place (CDP) Located in Brooks County, Texas, with a population of 177 people.<sup>2</sup> Encino has its own post office and school serving pre-K through 8<sup>th</sup> grade. Additionally, Encino has its own volunteer fire department and several local churches. 16 businesses in Encino have been given a credit rating by Dun

and Bradstreet as of the last quarter of 2000.<sup>3</sup> The proposed Channel 250A will provide additional diversity and an outlet for local self-expression to Encino residents and therefore is in the public interest.

Should this petition be granted and Channel 250A is allotted to Encino, Texas, Petitioner will apply for Channel 250A at Encino and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
